Advanced Systems Lab - Design

Lukas Elmer, Matthias Ganz

September 20, 2013

Table of content
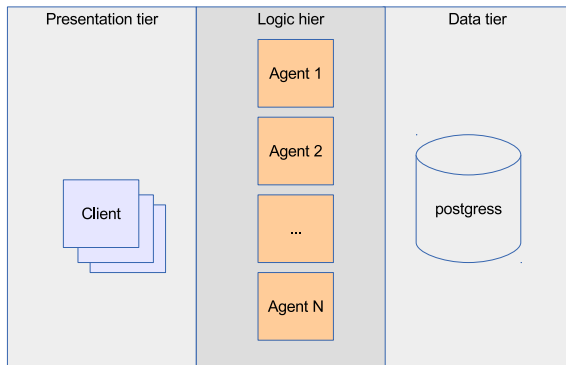

Overview

Figure : System Overview

DB Schema

Database Schema

Schema, Stored Procedures

Server

- Threading
- Java NIO Reactor

Client-Middleware Communication

- Describe Communication between

Describe the client

Communication Protocol

Communication Protocol used by client and server

Management Interface

Use JMX?

What experiments are performed

1. what kind of experiments are performed
2. how to perform measurements
3. where to store measurement results (Format, Use DB, etc)
